Two combination refers to combine of Marxist rudiments and China reality, and combine of Marxists rudiments and China traditional good culture. (Qian, 2025) Two combination reflects combine of Marxist theory and China reality, Marxist theory and China realistics, reflects combine of marxist theory and China culture, combine of marxist theory and China era. Two combination emphasizes combine of theory and practice, combine of theory and culture. Combine of theory and practice emphasizes theory come from reality, theory can obtain wisdom from reality, theory can achieve develop from reality. Combine of theory and culture (Gao, 2025) emphasizes theory come from culture, theory come from culture develop, culture can be deemed as origin of theory develop. Combine of theory and practice, combine of theory and culture reflects coherence of theory and practice, and coherence of theory and culture. That is to

say, theory can originate from practice and culture, and practice and culture can be deemed as same objective and same stuff and theory can obtain inspiration from practice and culture. Marxist Theory come from practice and deem practice as basis of theory growth. Marxist theory come from culture and deem culture as earth of theory growth. Marxist theory firstly set relation with practice and refer practice as origin of setting theory content and constructing theory scheme, and deem practice as growth point and thinking spring of theory. Marxist theory shape scientific outlook and stances from trail of exploring scientific practice, positive practice and ideal practice and shape methods from trail of setting scientific system and setting scientific values. Marxist theory combine itself with China practice and obtain new inspiration and new contents and new scheme from China practice and shape new scheme from from researching China practice. Combine of marxists theory and China practice reflects Marxist theory Chinanization, erarization, ethnicization, and reflects marxist theory develop with life, with people and with produce. This combine reflects marxist theory further develop, reflects shape new sphere, and reflects shape new space. This combine construct new theory, new system, and new stances, construct new opinion, new methods, and new outlook. Combine of Marxist theory and China practice expand origin system of Marxists, and excavate new content of Marxists, and explore new connotation of Marxists. Combination of Marxist theory and China practice shapes new theoretical system, shapes new practice content, and shapes new theoretical and practice stances, shapes thoughts of China people and China leader, shapes new sphere of China practice. Reflects Marxist new pursuits and new schemes and new spheres.

Combine of Marxists theory and China culture (Zhang, 2025) reflects Marxists theory culturerazation, and culture pursuits of Marxists. Only combine of Marxists theory and China culture can shape marxist's culture new

shape, Marxist's culture new theory, Marxist's culture new system. Marxist theory can obey the develop trend of China culture, explore develop law of China culture, renew content of China culture. The theory can blaze new trail of China culture develop, refine new content of China culture, explore new connotation of China culture. The theory can reflect new trend of China culture, reflects dynamic orientation of China culture, and reflect emphasis of China material products and spiritual products. The theory can reshape new connotation of China culture, and explore new fruits of China culture, and excavate new shape of China culture. On the other hand, China culture can promote further develop of Marxist theory, and push transformation of Marxist theory, and promote Marxist theory's perfect. China culture can provide theory growth point of Marxist theory, and provide grow earth of the theory, and bring new thoughts with the theory. China culture can push further develop of Marxist theory.

## 1. TWO COMBINATION AND CHINA TRADITIONAL CULTURE TRANSFORM AND INNOVATE

Two combination refers to combine of Marxist rudiments and China reality, and Marxist rudiments and China traditional good culture. This combine provide China traditional culture with new transform and innovate. China traditional culture worship classical beauty and traditional beauty, and worship harmony among people and friendly social intercourse. Worship ancient civilization and classical culture is China traditional culture's prominent characteristics, like nature harmony and ecological even and social stableness is China culture's prominent attribute. China traditional culture promote harmonious existence between human and nature, promote harmonious social intercourse among people, worship tough beauty and relax beauty, like dignize parent and children and care elderly and baby. Marxist theory transform and innovate China traditional culture and push China traditional culture towards a new orientation, the theory care China culture's realistic and transform culture's realistic, and persistently transform and innovate China traditional culture.

Two combination transform and innovate China traditional culture from classical shape to modern shape. Two combination transform and innovate the natural and classical and unsophisticated status to open, modern, and globalization status, from put the emphasis on costumes, folks, and tradition to put the emphasis on reform, open-up, and enhance of global status. Marxist theory emphasize China traditional culture's reasonable content, and excavate these content new connotation, and explore these content era meaning. The theory focus on China culture under new premise, and under new era, under new

space, focus on China culture's new develop trail, new develop orient, and new develop space. China culture's new develop, new trail and new space reflect China traditional culture's new shape, new appearance, and new atmosphere. China culture's new status reflect Marxist theory's new sphere, new status, and new promise, reflect Marxist theory's new content, and new dynamics.

Two combination can guide China traditional culture transform and innovate, and point out concrete trail for these transform and innovate. firstly, two combination can point out concrete orientation for China traditional culture, and point out that China traditional culture must develop towards socialist, and must impose itself on society. China traditional culture must develop social relation and confirm social relation can put the emphasis on labor and produce relation, and put the emphasis on economic relation and social relation. Two combination can point out value orientation for China traditional culture, and display concrete values for China traditional culture. Two combination can point out values, that reflects Marxists rudiment's new fruits, include values of national layer, of social layer, and of personal layer. Two combination can set concrete goal for China traditional culture develop, and make concrete trail for this develop. Concrete goal here mainly refers to a sort of moral regulation, a sort of behavior regulation, and a sort of thinking drive. Secondly, two combination can point out concrete trail for China traditional culture. Two combination can provide theoretical trail and practice trail for China traditional culture, and can point out develop mode for these culture. Two combination can provide theoretical premise for China traditional culture, told China traditional culture what theoretical goal can be pursued and what theoretical target can be setted. Two combination can provide practice premise for these culture and provide practical goal for these culture. Thirdly, Marxist theory can provide China traditional culture with develop system. Marxist theory can provide new develop system for China traditional culture, and set a scientific develop scheme for these culture. Two combination can point out China traditional culture structure, point out constitute of China traditional culture, and display pregdient of China traditional culture. fourthly, Marxist theory can provide new content for ytheory, and eastern develop theory for China traditional culture. Marxist theory can provide general explanation for eastern people, and provide fresh content for China traditional culture. Marxist theory research general law of human society, and explore new trail for human being, and excavate new connotation of human culture. Marxist rudiments provide general explanation for human philosophy, political economics, and scientific socialist, explain human general evolve law, general thinking law, and general behavioral law. Marxists rudiments unveil general law of philosophy and general law of economics,

explore general develop orientation and develop law. These explorations can enhance China traditional culture's scientific degree, and enhance China traditional culture's quality. Marxists rudiments develop China traditional culture's new sphere; reflect China traditional culture new connotation, show China traditional culture's new shape.

## **2. TWO COMBINATION AND CHINA SOCIALIST CONSTRUCT CULTURE**

Two combination worship conduct socialist construct culture on the basis of reality and Marxist theory, (Wang, 2025) and worship socialist develop, socialist construct, and socialist reform. Two combination emphasize socialist construct culture must insist guide position of Marxist rudiments, and core position of communist party, and must insist culture develop road with Chinese characteristics. Marxist theory must emphasize socialist construct culture need to be posed on society, and must insist socialist regulation, and must realign reality based on reality and theory. Marxist theory must be used to promote China socialist construct culture develop, must be used to promote reform and open-up, and must be used to promote China global status increase. Two combination emphasize Marxist theory culturerazation, and develop towards orientation of reality and culture. Two combination emphasize China socialist construct culture should obey Marxist rudiment, two combination stress that China socialist construct culture must obey Marxist rudiments and its further develop fruits, must obey China culture develop new trail. Two combination points out a new trail for China reality and point out a new trail for China culture. Combine of Marxist rudiments and China reality , and combine of Marxist rudiments and China culture reflect China culture's develop new orientation, reflect China culture's new dynamics, show China culture's new appearance.

China socialist construct culture can develop under the circumstances of insisting two combination, and this sort of develop can be achieved under the guidance of Marxist theory, and China culture theory. Number one, insist Marxist rudiments with Chinese characteristics and push China socialist construct culture develop towards more open, more civilization, and more modern. Marxist rudiments insist conduct from fact, and conduct from practice, and agree philosophy's guide effect, and confirm political economics' lead effect, and confirm scientific socialist' oriented effect. China socialist construct culture need Marxist theory to compensate culture develop connotation, and further develop China culture's new shape, and fulfil China culture 's new requirement. Number two, insist Marxist rudiments with culture characteristics and push China socialist construct culture develop towards more well-being, more health,

more harmony. insist Marxist rudiments with culture characteristics, ensure Marxist rudiments can achieve its culture develop trail, and ensure Marxist rudiments can combine with culture. Confirm Marxist rudiments can push culture develop and promote culture with Marxist attribute. Only combine China culture with Marxist rudiments can China culture achieve its develop goal, can China culture achieve harmonious develop and democratic develop. Number three, insist Marxist rudiments combine with China reality, and confirm China reality can close to Marxist rudiments. Makesure Marxist rudiments can reflects China reality, and reconstruct China reality and reconstitute China reality's constitute. Marxist's rudiments can show China reality's true situation, and reflect China reality 's most origin situation. Marxists rudiments can reshape China reality, and promote China reality step towards robust and enhancement. Number four, insist Marxist rudiments reshaping China culture and pointing out culture future trend and future value. Marxist rudiments can develop China culture's new sphere, and innovate China socialist construct culture persistently develop.

## **3. TWO COMBINATION AND CHINA REFORM CULTURE**

Two combination emphasize combine of Marxist rudiments and China reality, and combine of Marxist rudiments and China traditional culture. These combine reflect Marxist rudiments' develop orientation, and Marxist rudiments' value pursuits. These new orientation and new value pursuits promote China reform culture further develop, promote China reform persistently lean push. These new orientation and new value reshape China reform culture, and reshape China reform new sphere. Push China reform culture step towards more fair, more freedom, and more harmony. Two combination emphasize China reform culture must insist Marxist rudiments China reality, and culture with China characteristics. Two combination insist that Marxist rudiments must be used to guide China reform culture , and must be used to direct China reform's develop.

China reform culture must insist regulation of reform, and put the emphasis of reform on social develop. China reform culture insist that China reform must insist guide of government, and must insist social regulation. China reform culture must provoke the regulation of insisting city construct, insisting social develop and insisting national flourish. China reform culture must insist the regulation of city and suburb's coherence and must insist full-utilizing domestic market and international market, and must insist full-utilizing domestic resources and international resources. China reform culture must insist basic rule of two combination, and must insist combine of Marxist rudiments and China reality, and combine of

Marxist rudiments and China culture, and must insist realisation of Marxist rudiments and culturization of Marxist rudiments. Under the guidance of two combination, China reform culture must insist Marxist rudiments and China culture theory, must insist reform come from reality, and reform come from China culture, and reform come from practice. China reform culture must insist combine of self-revolution and social revolution, must insist natural innovate and social innovate, must insist government reform and folk reform.

Insisting two combination and promote China reform culture develop must insist following methods: first, insist Marxist rudiments and China reality, and use Marxist rudiments and China reality to promote China reform culture. Marxist rudiments emphasize reform must stem from reality and must obtain resource from reality, reform must insist guide position of philosophy and full use economics' rudiments and predict reform's develop orientation. Reform must stem from internal drive of society and domestic reality and strive to meet these drive's needs. Reform must stem from society's needs and people's needs, and must insist society's origin position, and people's origin position. These conducts shape a new appearance of China reform culture, and shape a new culture atmosphere, and push these cultures lean towards a new step. Second, China reform culture must insist government dominant position and must insist people's main position, and must insist society's fairness and justice, and must confirm society's democratic and peaceful, and confirm society's increase and foster. Third, China reform culture must stand on Marxist rudiments, and must stand on China reality. China reform culture must insist put stances on materials, and put stances on relation of practice and recognize, and put stances on relation of labor and produce relation, and relation of economic basis and upper construction. China reform culture must insist conduct reform and open-up from reality, and conduct government and society realign from fact. Forth, China reform culture must insist that put the emphasis on global status increase, and put the emphasis on social develop status perfect.

#### 4. TWO COMBINATION AND CHINA CONSTRUCT CULTURE

Two combination emphasize that Marxists rudiments must combine with China reality and China traditional culture, and must insist Marxist philosophy, political economics, and scientific socialist, and insist these theory's guide effect, and insist these theory's combine with facts. Under the guidance of two combination, China construct culture must insist Marxist rudiment's guide position and strive to conduct construct, and conduct reform and innovate under the guide of Marxist rudiments. China construct culture must insist conduct material basis construct and

conduct spiritual construct under the basis of material basis construct. China construct culture must insist material civilization and spiritual civilization construct, must insist China civilization and western civilization combine, and must insist combine of produce element and market and combine of government and society.

Insist two combination and push China construct culture develop towards common discuss, common collaboration, and common construct. In order to arrive in this construct goal, we need to insist following methods: firstly, China construct culture must originally emphasize party construct, socialist construct, and communist construct. China construct culture must insist guide of Marxist theory, and must insist guide of combine of theory and practice, and must insist guide of combine of thoughts and action. China construct culture must insist party construct and must insist communist party's leader position, must insist communist party's stances, opinions, and methods, must insist communist party's regulation and rule. China construct culture must insist social construct, and must insist social harmonious and social develop, and must insist social society develops' main framework and main orientation. China construct culture insist communist construct must conduct produce labor and produce relation's full develop, and insist people's dominant position and resources' full flow, and economic's persistent increase. Secondly, China construct culture must insist coherence of national construct, social construct, and personal construct, must insist economic construct, political construct, culture construct, social construct, and ecological construct, must provide construct support, construct direct, and construct push, must insist construct spirit, construct thoughts, and construct rule. Thirdly, China construct culture must insist put economic develop as primitive premise, and put political consciousness and realign consciousness as important guardians, China construct culture must insist combine of government construct and society construct, combine of citizen construct and city construct.

#### 5. TWO COMBINATION AND NEW ERA CULTURE

Two combination emphasize that Marxist rudiments must combine with China reality and China traditional culture, and Marxist rudiment must combine with time, era and space. Marxist rudiments must insist time orientation, era orientation, and must insist combine of theory and time, combine of theory and era. Two combination must insist time orientation and era orientation, must reflect spirit of time and spirit of era, must reflect pursuit of era and pursuit of value, must reflect ethnic groups' ideal, and reflect people's ideal. Construct new era culture, must insist Marxist rudiments and products of combine of Marxist rudiments and China reality.

In order to create new era culture, we must insist following methods: firstly, insist two combination and promote new era culture develop towards the orientation of insisting guide position of Marxist rudiments and insist guide position of China reality and China culture. Insist rule of high quality develop, and ensure that new era culture can develop in manner of obeying the way of high quality, and push develop of new era culture towards high phase via achieve of economic increase. Secondly, insist legal construct and utilize legal construct to achieve develop of new era culture, and insist new era culture develop regulation that new era culture must insist combine of theory and facts, combine of high quality develop and high quality construct. Thirdly, insist push well-being society towards and insist further push and promote of well being society. Insist coherence of economic develop, political develop, culture develop, social develop and ecological develop. Fourthly, insist leader of communist party, and promote guidance of communist party, and utilize communist party to drive new era culture's develop, insist guidance of communist party, and create new sphere of new era culture under the guidance premise of communist party. Fifthly, insist new develop notion, and promote new era culture develop towards develop of share, develop of green, develop of health, develop cooperation. Promote new era culture develop under the guidance of new develop notion.

## 6. TWO COMBINATION AND NEW COOPERATION CULTURE

Two combination emphasize that combination of Marxists rudiments and China reality and Marxists rudiments and China traditional culture reflect a sort of cooperation-cooperation of theory and practice, and cooperation of theory and culture- that reflect relation of theory and practice and relation of theory and culture , two combination emphasize that theory must cooperate with reality, and theory must cooperate with culture, cooperation of theory and reality and cooperation of theory and culture reflect theory's innovate, reality's innovate and culture's innovate. New cooperation culture must reflect two combination's requirement, and must reflects theory and reality and culture's requirement,

Insist two combination and develop cooperation culture must insist flowing methods: firstly, Insist Marxists rudiments and promote new cooperation culture, ensure

that new cooperation culture can insist cooperation culture and cooperation civilization, and must insist cooperation spirit and cooperation regulation. New cooperation culture must insist cooperation of government and citizens, must insist cooperation of nation and government, and must insist cooperation of government and nation. secondly, insist Marxist rudiments and China reality's combine and promote new cooperation culture develop towards cooperation, win-win , help each other, harmonious. Insist Marxist rudiments and China reality combine and promote new cooperation culture lean towards more friend, more intimate, and more persistent. Thirdly, insist Marxist rudiments and China reality's combine, and promote new cooperation culture develop towards more happy, more flourish, more kindly. Fourthly, insist culture with Marxist rudiments and promote new cooperation culture lean towards co-construct, co-develop, co-cooperation , co-share. Insist rudiments of philosophy and economics and push new cooperation culture towards more adapt people's develop, more adapt people's advance, more adapt people's realign, and more adapt people's win-win.

## CONCLUSION

Insist two combination and promote China traditional culture , construct culture, develop culture lean towards more harmonious, more co-melt, more co-construct. Two combination emphasize that China new culture must obey develop regulation, develop orientation, develop trail, and develop manner, and must insist China trail of culture develop and China shape of culture develop, and China appearance of culture develop.
